Culinary Skills at Herbarium Institute of International Hotel Studies

Welcome to the Culinary Zone at Herbarium Institute of International Hotel Studies.

Consider how much there is to learn, and how far you want to go. Recognized as one of the top Culinary Arts programs in the country, our award-winning comprehensive curriculum is designed to teach you the actual practice and art of cooking through theory, technique, palate training, speed, and teamwork. These will be your essentials for success in the culinary landscape.

Your Priority Is Learning. Ours Is You.

Now imagine a classroom at Herbarium Institute of International Hotel Studies, where you and your progress matter. With no more than 15 students per practical class, you will learn the necessities required to thrive in the culinary industry, as well as forge the personal contacts that will guide you through your journey.

Every class will teach you a specific skill – classes will intensify in difficulty as you continue to grow and develop. Beginning with basic palate training, our culinary arts chef-instructors will help train your senses, guiding you through the vast sea of subtle tastes and flavors, from herbs and condiments to vegetables and meats.

Your evolution will continue through an introduction – and subsequent mastery – of culinary techniques such as knife skills, dry and moist-heat cooking methods, sauce making, restaurant simulations, and pastry and baking, to name a few. Your chef-instructors' mentoring will enhance your education and give you the foundation for a great career.

Real-Life Experience. Experiences for Life.

Your culinary roots will be grounded in classical cooking technique, however, your experience in the program will be unmistakably global. Thailand, India, Japan, Italy, Spain – the technique, ingredients, and distinctive flavors of all these regions and others will be a part of your culinary passport, taking you anywhere in the industry, and more importantly, the world.

And a part of worldly knowledge is gaining real-life application. After 400 hours of intensive classwork, our invaluable hotel internship program will take you on-site – imagine 210 hours in a restaurant, hotel, catering kitchen, or other culinary enterprise. With over 30 options to choose from among hotels, your education will continue while making your skills razor sharp through practice.

By the end of the Course, you will be a culinary professional ready to approach any culinary task with ease.

You Can Already Taste Your Success – Now Let Us Help You Refine Your Palate.

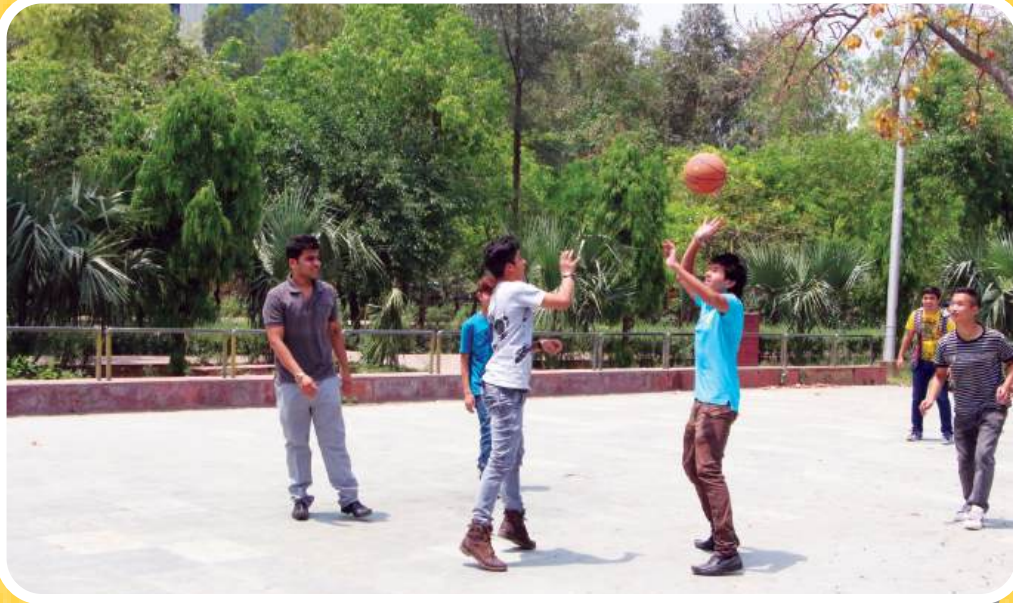

Our flexibility and affordable options will allow you to find your culinary voice. What is most convenient for you: morning, afternoon, evening, weekend? We have a schedule that will fit yours, consider taking one of our culinary tours
